

2. My Family

"Happy families share love with each other."

I am Rajat. I live with my mummy and papa. We play games and go out together. We help each other. We are a happy family.

Read this story about three fairies who go to find a happy family.

A Happy Family

The queen of fairies calls three fairies. She asks them to look for a happy family. The fairies soon return. The first fairy says, "I saw a family. It had four members. They were watching TV. They clapped and danced whenever they heard a good tune."

The second fairy says, "I saw a family with four members. They were wearing beautiful clothes. They were in a restaurant enjoying their dinner."

The third fairy says, "I saw a family. The grandparents, parents and the children were at a picnic. They were laughing and enjoying together. Which one is a happy family?"

The queen of fairies says, "All the families were sharing love and spending time together. They are all happy families."
